VENUES

THE SANDSTONE CHAPEL - CEREMONY

Stone transforms a space - creating a rich, rustic atmosphere and a sense of strength and permanence – the perfect setting for declaring your love and saying “I Do...”

Every stone in this chapel has been carved using the same techniques used 100 years ago. The sought-after stones speak of workmanship, attention to detail and superior quality. The chapel can comfortably seat up to 120 guests on wooden benches.

OR weather permitting, your ceremony can also take place in the beautiful gardens!
Seating on white, padded Wimbledon chairs.

THE LOUNGE - CANAPÉS

The Lounge is part of the original building, and is the ideal space to enjoy mouth-watering canapés and drinks from our diverse menu. This is the perfect space to cut your wedding cake and spend some time with your guests before you leave for your photoshoot.

The space is extremely cosy with a fireplace, couches, tables and chairs. The stoep offers beautiful views of the surrounding mountains.

THE GALLERY - RECEPTION OPTION 1

This old shed has been transformed into a modern glass and steel reception venue with ample light streaming in from all sides and rolling mountain views on show from every angle.

The backdrop of the bar features a custom tile installation by Wolkberg Casting Studios.

THE BALLROOM - RECEPTION OPTION 2

Originating as a cheese factory many years ago, the larger one of our two venues is the perfect space for hosting a wedding reception for up to 120 guests.

It features a grand sandstone fireplace and thousands of fairy lights – creating a magical, moody ambience!

It also boasts a cosy lounge adjacent to the bar, as well as a patio with mesmerising mountain views.

FURRY FRIENDS

We understand that your beloved dog is a special part of your family, and we are delighted to have them here for your wedding ceremony and photoshoot. However, please note that our overnight units are unable to accommodate pets. We kindly request that you appoint someone responsible to take care of your furry friend and take them home after the festivities (There are quite a few dog friendly accommodation options in town). This will ensure that you can fully enjoy your special day without any concerns about your pet's well-being. Please let us know in advance if you plan to bring your doggie companion, so we can make appropriate arrangements to make their experience comfortable. Thank you for your cooperation!

WEDDING PLANNER:

We have your venue-related and wedding coordination needs covered. We take pride in offering the services of our in-house event coordinator as part of your wedding package, ensuring a seamless and stress-free experience. Please note that we do not allow external wedding coordinators to manage your wedding on the day of your event.

Our dedicated in-house event coordinator will be by your side leading up to the day of your wedding, offering expert assistance in planning and organizing every detail. This exclusive service allows us to maintain the highest standards of quality and coordination, guaranteeing that your special day is executed flawlessly. However, we understand that some brides may have a special relationship with an external wedding planner. If you choose to engage an external wedding planner, we kindly request that they hand over all responsibilities to our in-house wedding coordinator two weeks before OR at the final meeting (before the wedding). This ensures that there is only one person in charge on the day of your celebration, allowing for a seamless and coordinated event that lives up to your dreams.
